## THE GOLF COURSE

**GEORGIA**  
Golf Course

The Golf Course is as beautiful to look at as it is challenging to play. Set on the rolling terrain of northeast Georgia, this par 71 Robert Trent Jones layout is widely regarded as one of the best university courses in the United States. Renovated by Love Golf Design in 2006, the course is up to the standards of modern championship play and is home to both of the University's top-ranked golf teams and maintains their practice grounds and clubhouse. While extremely challenging from the championship Bulldog Tees, the course has six sets of tees to help golfers of all abilities enjoy their round on this classic

The purpose of the Cedar Shoals Drive Quarterback Club is to support the football program at Cedar Shoals. In fulfilling this purpose and objectives, the Quarterback Club aims to:

1. Host the annual HoF Breakfast the morning after the Homecoming Game.
2. Induct deserving alumni from all sports in the HoF
3. Provide a display for recognizing inductees
4. Prepare an annual budget
5. Be creative in soliciting much-needed funds
6. Undertake activities to support Cedar Shoals
7. Support other programs at Cedar Shoals
8. Provide scholarship opportunities
9. Be sure the Executive Board is organized and meets monthly
10. Issue HoF nomination forms
